The Grandfamilies State Law and Policy Resource Center serves as a national legal resource in support of grandfamilies within and outside the child welfare system. We provide:

- Summaries and comparisons of laws and legislation for legal topic areas, including practical implementation and advocacy ideas
- Personal stories
- Relevant resources and publications
- Technical assistance and training to interested parties

The easy-to-use searchable database of laws and legislation allows for a quick search of the laws and legislation for all states and the District of Columbia that address common legal questions surrounding relative caregiving. Database topics include:

- Education Issues
- Foster Care Licensing
